# SANDRA TRAJKOVSKA

## JUDGE

NORTH MACEDONIA

SANDRA TRAJKOVSKA was born in 1995 in Kumanovo. She finished elementary and high school in her hometown. She then enrolled at the Faculty of Design and Technology of Furniture and Interior in Skopje. She developed an interest for photography when she was still in elementary school. She took up a photography course led by Vladimir Jovanovski in 2017. After its completion, she became a member of Photo Club 'Kumanovo'. She participated in several national and international exhibitions. She won first prize at the contest 'My Kumanovo' organized by Kumanovo Municipality. In 2018, she completed her first photo-projection entitled '(E)motions'. She finds inspiration in everyday life, the people and the emotions they carry within. One of the reasons she fell in love with photography is the fact that it allows her to capture moments that might not occur ever again.

## JUDGE

MPSA; RISF5; GPU CR3  
HERMES  
NORTH MACEDONIA

Vladimir Jovanovski, MPSA, GPU HERMES, RISF5, was born in 1983. He is a distinguished photographer from Macedonia and the most successful representative of Macedonian photography, having taken part in numerous international exhibitions around the world. He has exhibited his works in 35 countries and as a result, has received over 100 awards and certificates. He was proclaimed by The Photographic Society of Macao as one of the 100 most influential photographers in the world. In 2018, he has received the award for best world photographer from the SSS in Turkey. His biggest successes, according to him, are the projects 'The other one hundred' and 'On Macedonian photography'. He was a member and president of the Photo cinema club 'Kozjak' from Kumanovo. Currently he is an active member of Photo club 'Kumanovo'. He is also the director of Malinski Photo Festival, an honorary member of Image Sans Frontier, Image Colleague Society and the Photo Club 'Kragujevac'. He is also a representative of PSA, GPU and ISF for the Republic of Macedonia and the current president of IAAP. When it comes to his photographs, he is not a mere recorder of things. He has a sense of the space around him, feeling the light, the ambient and life. He is constantly in search of all these things, confronting inner feelings, transferring them into his photographs. In the last couple of years, his approach has been more thematic.
